LAUREN ZUGAI

< FRONT-END WEB DEVELOPER >

(325) 668-1020   lauren@zugai.com   LZoog   portfolio: zugai.com
blog: lzoog.com

PROFILE

My interest and passion for web development began at an early age with Neopets and MySpace. While I also enjoy back-end development, I tend to graviate toward the front-end and love bringing UI designs to life with code.
